5

Watch Video very informative

6

This is the nitty gritty

You should read part first A then attempt the Quiz B

7

or plunge direct into the quiz if you feel confident

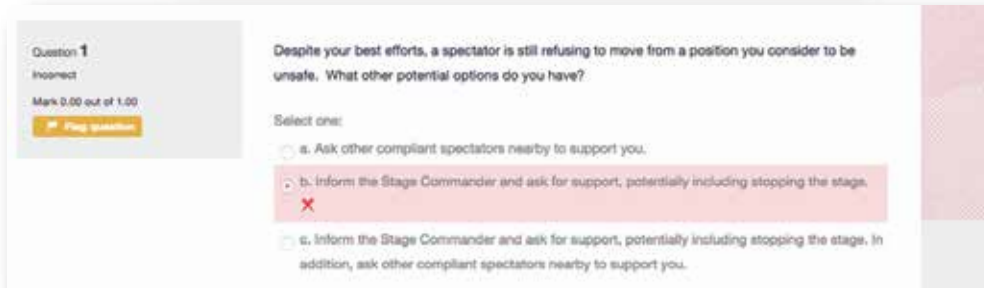

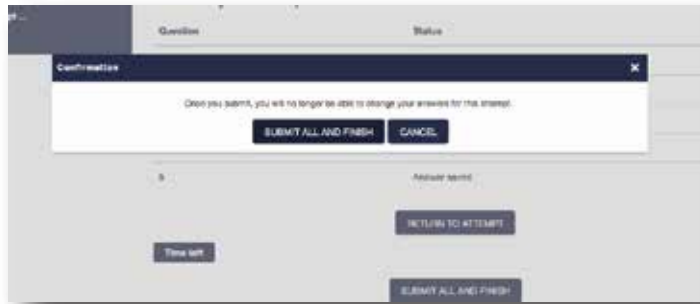

LAUNCH QUIZ

8

there are several modules you need to complete you need to return to the welcome screen to read, digest & attempt the next Module

SUBMIT your answers you will be prompted if any are incorrect and given the right answer, remember it and re attempt that section

9

there are several modules you need to complete you need to return to the welcome screen to read, digest & attempt the next Module

10

need to return to the **Welcome Page** to

now have two options:

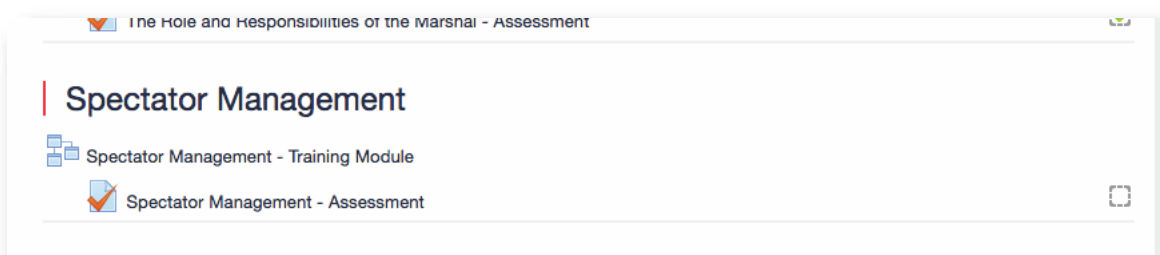

If you have not undertaken all three modules and assessments complete these. Click **HERE** to access the Welcome Page.

If you have successfully passed all three assessments you w

REPEAT as per

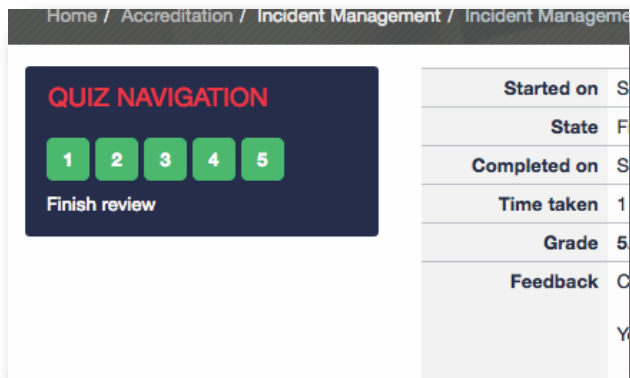

7

11

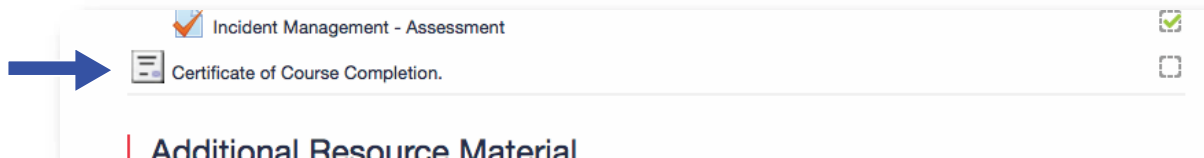

Keep Trying until
SET of all green
proceed to next Module
