3.0 Number of Events to Count

The number of events that count towards a competitor's final score in each championship is defined by this table :

No. of events run	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
No .of events to count	1	2	2	3	3	4	5	5	6	7	7	8	8	9	9	10	10	11	12	12

For example, if **7** events run in a championship, only the top **5** scores will count (as above). If more than 20 events count one extra score will count for each two events added. In the Marshal's Championship ALL events count.

4.0 Points System

A straight 10, 9, 8,.... points system will be used with overall placings taken for rallies (ie Experts then Non-Experts then Novices). In all other categories points will be awarded based on class positions. If the event is organised by SDMC, competitors must enter under SDMC to score points. For non-SDMC events points will be awarded irrespective of club entered under. It is the competitor's responsibility to ensure that they are entered under the correct club on the entry list. Stage & Classic competitors will score points in the Overall Championship relative to the event result of the crew. Event organisers (Clerk of Course and Secretary) will score 10 points once only for organising an event. Individuals who marshal on eligible events will score three Marshal's Championship points.

5.0 Best Performance only to count

Where a competitor enters more than once in any event, then only their best performance in that event shall count for points. Their other entries shall still be included in the results and calculation of other competitors' points.

6.0 Ties in Events

In the event of a tie for a place on an event, each competitor shall receive the points for that place. Event tie-breakers will not be used.

7.0 Ties in Championship

In the event of a tie in any section for an award, the award shall be given to the competitor gaining the greater number of first placings, then the number of second and subsequent placings shall be considered. To be eligible for any championship competitors must obtain 2 or more scores in that championship. Any disputes will be resolved at the committee's discretion.
