

Stonehaven & District Motor Club

Hairst Rally 2018

The SDMC Hairst Rally 2018 took place on Saturday 27th October starting and finishing at the Scout Centre in Methlick. A total of eleven crews contested the rally, eight in the National 'B' SAMSC Navigational Championship event and three in the Clubmans.

After a very blustery and wet day, in the evening the weather gods were kind to us and the wind dropped, the moon came out to watch and there were only occasional light showers, much to the relief of the marshals!

The event was won by Michael Cruickshank/Richard Crozier, in their Suzuki Ignis, who cleaned the event, followed closely by Harry Merry/Graham Causer and Charlie Brown/Gordon Reid.

Gary and Alan Ross were the only Non-Expert crew and finished with a creditable 54 points. The Novice section was won by Andrew and Sam Hunter with only 4 points.

Full results are attached or can be accessed on the club website.

A total of 21 Marshals and Officials signed on the night, most having to man two controls, all carried out with good humour. Our grateful thanks to all the volunteers who turned out to make the event possible.

The post event refreshments were provided by the Methlick Scout Group and was much appreciated by everyone, our thanks to the Scout Group and Dawn, Lisa and Claire in particular.
